## RECHARGEABLE, HAZARD LIGHT WITH FLOODLIGHT/WARNING LIGHT

Designed for roadside emergencies, the HazStar combines a powerful work light with detachable red hazard lights. Keeping you visible, prepared, and powered up when it matters most.

- Dual-purpose design: bright front-facing work light and rear hazard warning lights
- Magnetic red lights detach and secure to your vehicle for flexible placement
- Rechargeable lithium battery with built-in power bank for mobile charging
- Multiple light modes including high, medium, low, and flashing
- Compact, lightweight design for easy storage in glove boxes or breakdown kits
- Up to 100m red light visibility for roadside safety
