

# NEW HeadStar - Hybrid

## Rechargeable Dual Beam LED Head Torch, 330 lumens

The HeadStar-R is a dual beam design offering a bright, narrow spot beam for long-distance lighting or a softer wide flood beam for close up targets, and a combined powerful 330-lumen, 130m boost beam for illuminating large areas. Its hybrid technology, means the HeadStar-R can be used either with the supplied rechargeable Lithium-polymer battery pack, or 3 x AAA Alkaline batteries.

### KEY FEATURES:

- 330 Lumens
- 130 metre beam
